

The GOOD in HVLA

1. HVL is a beautiful area. The Lake is wonderful. There are many nice people. The Greenview is a much better place to dine.
2. There are many nice events done by the Recreation Dept.
3. There is a new “Operations Director” who has a reputation as being well organized, relating well to staff and members alike and who gets things done in a timely and quality manner. (See “Administrative Staff” change from July to Aug. issues of “Views”).
4. A new shower/restroom facility has been built at the Pool.
5. The GM is making an effort to reach-out to members.
6. A Five-Member Board of mostly (3:2) “member-oriented” folks, who seem to care about the best interests of members.
7. An election for 2 Directorial seats coming in Nov. 2018. One “Golf First” Director’s term expiring. One additional seat to be appointed.

September 2018
